

## **Featured Programs**

### **MLA Basket Raffle**

Relish the creativity of your fellow member libraries and bid on the amazing array of baskets that they've created! Raffle tickets will be available throughout conference at a cost of \$10 for 5 and \$20 for 12. Tickets will be drawn on Wednesday starting at 11:15 and winners will be announced during the Business Lunch. If you do not plan to attend conference on Wednesday, please arrange for someone to pick up and deliver your basket. All proceeds support the programs of the Massachusetts Library Association.

### **MLA Mentoring/Buddy Program**

### **The Library Telescope Project – Lobby Table (Monday Afternoon and Tuesday All Day)**

Your patrons could be gazing at the stars and participating in the exploration of space with telescopes they check out from your library! Acquire telescopes through grants or a modest purchase plan. Each telescope comes with on-site training for staff and ongoing maintenance for the telescope. Enjoy continuing support for community summer reading programs and stargazing events. Stop by Aldrich Astronomical Society's lobby table and be dazzled at what they can offer your library as a participant in their Library Telescope Project.

### **Adult Coloring Table – Lobby (Monday, Tuesday, and Wednesday)**

Need a little conference stress buster? Sit down, grab some markers, choose a picture, and start coloring. All materials are supplied.
