

MLA 2018/2019 Proposed Meeting Calendar

Below is a proposed meeting calendar for the coming year.

I think we can run things as we have done in the past, however I am considering inviting committee chairs to attend Admin meetings when and if necessary. For instance, we might want a Legislative update in March before going to the State House, or we might want a Conference update in January or March just to touch base on logistics.

Executive Committee – We can continue to meet at Shrewsbury as a default, but I'm open to hopping around.

- August 17th
- October 12th
- December 14th
- February 8th
- April 12

Admin Board - I was hoping to keep the Admin meetings to a phone call on these dates:

- July 13th
- September 14th
- November 9th
- January 11th
- March 8th
